

Regional Big Housing Build

We are building 54 social housing homes on Ormond Road, East Geelong providing more Victorians with a safe and secure place to call home.

The new homes replace outdated housing along Ormond Road, between Ensby and Tate Street, near Geelong City Centre.

The project will better meet the needs of residents, with easy access to schools, medical services, employment, transport and other amenities.

Construction of the new homes will be completed in 2026.
