

Homes Victoria has delivered new social and market housing to give more Victorians a place to call home.

The Harvest Square, Brunswick West housing redevelopment site is just 6km north of Melbourne's city centre and is ideally positioned near transport, community services, and shopping precincts.

Homes Victoria has replaced 82 social homes that were no longer fit for purpose with 198 new homes, including 119 social homes and 79 market homes. The redevelopment includes community gardens and an 18-metre-wide linear green space running through the site, delivering up to 3,000 square metres of open space for residents and the wider community to enjoy.
