

Works notice - Barak Beacon, Port Melbourne

Construction of driveway crossovers

Homes Victoria in partnership with Building Communities is redeveloping the Barak Beacon, Port Melbourne housing site to provide more Victorians with a secure place to call home.

This project will deliver 408 new homes including a mix of social, affordable, market rental and specialist disability accommodation. The builder at the site is ICON.

Construction of driveway crossovers

From **Monday 9 September**, driveway crossovers will be constructed on Barak Road, Howe Parade and Beacon Road. This work will be carried out in a staged process and may take several weeks. Some footpaths will be temporarily closed during these works.

Please see the map over the page to see the locations of the driveway crossovers. All work will be carried out in accordance with City of Port Phillip requirements.

What to expect

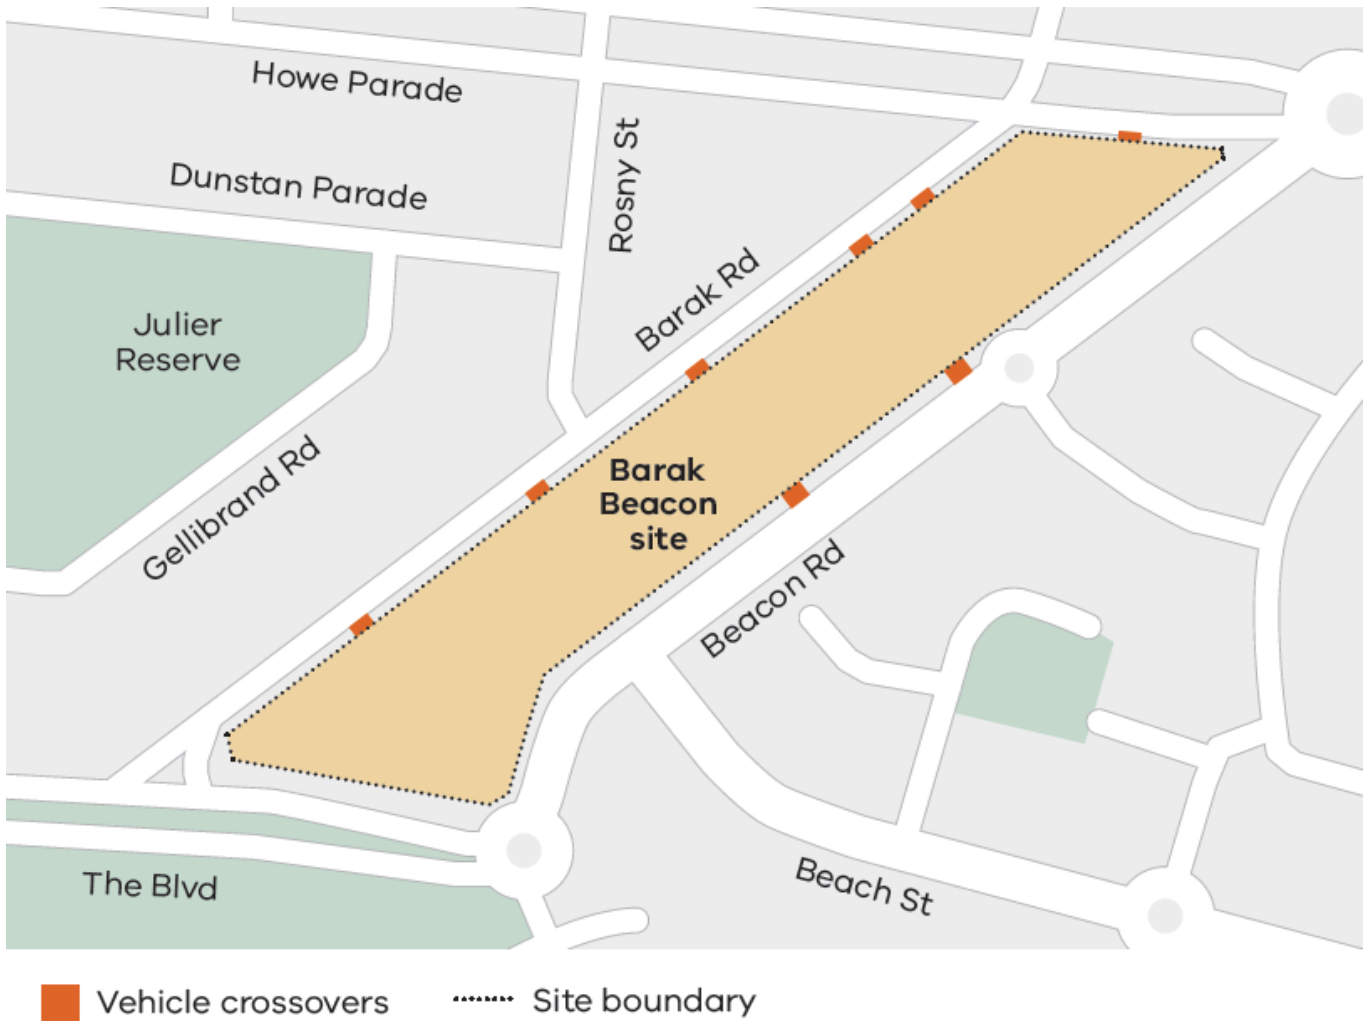

While driveway crossover works are underway, people seeking to travel on and around Barak Road, Howe Parade and Beacon Road (including the bike lane) will experience temporary disruptions. Signage and traffic management will be in place to direct pedestrians around closed footpath areas.

ICON has a 24-hour hotline

We know that living near a construction site is not easy and we want to thank residents in Port Melbourne for their understanding while we revitalise the Barak Beacon housing site.

If you have any enquiries about this work, please email ICON at community.questions@icon.co or call ICON's 24-hour hotline on **(03) 9389 3619**.
