

Homes Victoria is delivering new social and market housing to give more Victorians a place to call home.

The Walker Street, Northcote housing redevelopment site is located just 5km north of Melbourne's city centre and is ideally positioned near public transport, community services, shops, schools and local destinations including the Merri Creek and Ruckers Hill.

Homes Victoria will replace 87 social homes that were no longer fit for purpose with 250 new homes, including 99 social homes and 151 market homes. The redevelopment will also include a community room and a generous network of courtyards for residents and the local community to enjoy.
